20th FAD-Conference

November 8 and 9, 2023 in Dresden

Exhibitor Information

Dear Ladies and Gentlemen,

the FAD conference will be held for the 20th time this year. This confirms that exhaust aftertreatment is still an important topic. In the early years it was all about conveying the necessity and introduction of exhaust gas aftertreatment technologies for combustion engines in all areas of application, but today we are addressing the possibilities of implementing CO₂-neutral mobility with the combustion engine. For this, the tried and tested must be adapted, but completely new solutions must also be developed and discussed.

20 years of the FAD conference are also an opportunity for us to try new things. The exhibition that accompanies the conference will be opened on the evening before the conference as part of a get-together. This offers another good opportunity to get to know speakers and other participants and to have discussions.

At the exhibition, which is an integral part of the FAD conference, the motto is "Back to the roots". In addition to exhibition opportunities in the break area of the FAD conference, this year we are offering all interested parties the opportunity to exhibit outside, e.g. of vehicles.

In this brochure you will find a number of other ways of presenting your company, institute or university.

In the hope that one of the options offered for exhibition and presentation will find your interest, I look forward to a conference with interesting lectures and many technical discussions as well as an interesting trade exhibition.

Prof. Dr.-Ing. Gennadi Zikoridse
Executive Director of FAD e.V.

Technical Exhibition

The accompanying exhibition offers the perfect opportunity for discussions and talks with conference delegates, for gaining new industry contacts or intensifying existing business relationships. We offer possibilities of indoor and outdoor exhibition.

Venue

Hotel Hilton Dresden
An der Frauenkirche 5
01067 Dresden
Germany

The trade exhibition for the FAD conference will take place in the break area of the conference and in the outdoor area near the hotel.

Time schedule

NEW! The trade exhibition will be opened on the eve of the 20th FAD conference as part of the get-together.

Opening of the exhibition: November 7, 2023, 6:30 p.m.
Closing of the exhibition: November 9, 2023, 5:00 p.m.
Booth set up: November 7, 2023, 2:00 – 6:15 p.m.
Dismantling of the booth: November 9, 2023, 5:00 – 7:00 p.m.

Conditions for indoor exhibition

Costs of booth space 300.00 Euro per m²

Conditions for the outdoor exhibition 500.00 Euro

A flat rate per stand will be charged for the outdoor exhibition. This includes the fees for the parking space and fees for the required city permits.

All prices stated on this page are plus 19% German VAT.

Special conditions for exhibitors

If the indoor exhibition space is 6 m² or more, one person will be registered free of charge (e.g. stand staff). This registration includes participation in the conference (incl. snacks, conference documents, evening event). Each additional person must be registered as a regular participant.

Further presentation opportunities

Besides the participation at the exhibition, we offer you additional possibilities to present your company. These are stated below.

Advertisement in the proceedings (ISSN 2199-8973)

Full inner page, (black/white)	150.00 Euro
Full cover page, C2 or C3 (4-colour)	400.00 Euro

Company presentation

Presentation in the conference summary

This will be made available to all participants as a download. 150.00 Euro
(max. 8 pages)

We are again offering online participation in the FAD conference. During the breaks you can present your company to the online participants. This can be in the form of a presentation (8 pages), a video (max. 1 minute) or something similar.

Presentation to the online participants during breaks 500.00 Euro

Insert in the conference bags

You may insert promotional material of your company in the conference bags, which are given to every delegate on-site.

Please send this material (max. 4 DIN A4 pages per material, min. 250 items) free of charge and in due time to the conference venue in Dresden.

500.00 Euro per material

All prices stated on this page are plus 19% German VAT.

Sponsorship students

The FAD e.V. and other companies sponsored dedicative students the free participation at the FAD-Conference since 2013. Students had the opportunity first and foremost to get technical expertise in the field of exhaust aftertreatment and to make new contacts. We want to offer this opportunity also in 2023.

All students with diploma theses or dissertation in the field of exhaust aftertreatment can apply for a sponsored participation at the FAD-Conference. The FAD e.V. selects the applicants by the submitted application documents.

The student sponsorship for the attendance participation includes the participation fee of 200 € as well as the assumption of the costs for two nights of the student in one of the hotels offered for the conference. The student sponsorship for online participation includes the participation fee of 100 €.

Sponsor references will be published in the proceedings and in the conference program.

Conditions

Student sponsoring attendance participation	350.00 Euro per student
Student sponsoring online participation	100.00 Euro per student

The above-mentioned price is gross for net.

Interested companies note this on the exhibitor registration form. After receipt of the registration we will contact you.
